Meet the Experts in

Pain Relief

Under the Sunshine of Egypt

Welcome Address

On behalf of the ESMP, we welcome you in Egypt, the land of the Pharaohs our ancestors or in other words the forefathers of knowledge.

For almost 30 years, the ESMP has always had an active role in training & educating pain clinicians all over Africa & the Middle-East.

We shall witness together the interchange of experience in clinical pain between the IASP & ESMP, altogether with all distinguished participants.

Moreover, the IASP's choice to hold its Council meeting in Egypt with its eminent clinicians & scholars would share in offering an enriching experience in the practice of pain management.

The 2010 Conference will include updated knowledge in pain, scientific posters, symposia, workshops & live-interventions.

We are looking forward to your participation in our 29th Conference.
